COLLECTIONS POLICY / MISSION STATEMENT

The Hospitality Industry Archives We collects Hilton Hotel corporate papers and other hospitality industry items from various hotels, restaurants, and resorts. It is the official repository for the American Hotel & Lodging Association's Audiovisual Collection and "out-of-print" trade publications: Hotel Monthly (1893-1959), Southern Hotel Journal (1924-1960), and Texas Hotel Review (1938-1988). All of the various collections of memorabilia, films and videotapes, news clippings, blueprints, postcards, architectural scale models, company correspondence files and other written material such as operation and financial reports; manuals; photographs; marketing materials; books; trade magazines (1893-1997); and oral history interviews provide additional insight into the hospitality industry
