

AHA! Now Accepts Credit Cards!

You can now pay your AHA! membership dues with any major credit card! We have setup an account with Squareup.com to handle credit card transactions. To cover the transaction fee, a convenience charge of \$1 will be added to the regular \$10 membership. As always you can still pay dues by cash and check. The table below outlines all the options for paying your membership dues.

Options for Paying Your AHA! Membership Dues
